An eLearning resource for the Australian Curriculum

SPECIAL DAYS

The Special Days series looks at some of Australia's important days, the history behind each day, and how Australians celebrate or commemorate the day. Inside each book you'll find statistics, fun facts and photographs, as well as current information on how each special day plays a part in Australia's rich culture. Every book is a valuable resource designed to support Australian students and teachers, and cover Australian Curriculum topics.

STEM stands for science, technology, engineering and mathematics, and it is not just for scientists. The existence of the whole Universe, including us and our daily lives, can all be described with the wonderful scientific facts that make up the topics included in STEM. In this series, you will find out how easy STEM is to understand, and also discover how you can see it in action every second of every day.

ENGINEERING MARVELS OF AUSTRALIA

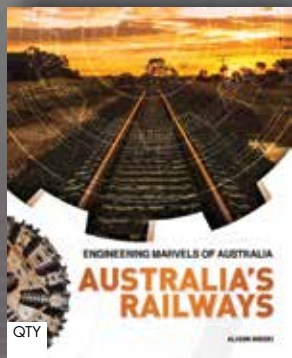

This series contains the stories of the design and construction of some of Australia's major feats of engineering.

Learn about:

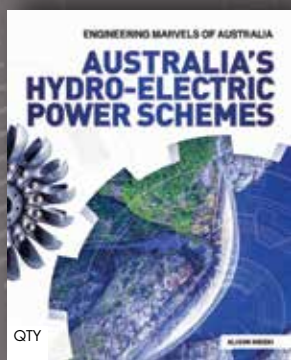

- Why these structures were built and how they were built
- What life was like in Australia at the time
- The conditions for workers on the projects
- The structures today
- The technology used on the projects

HOW WE USED TO LIVE IN AUSTRALIA

Australia's style of living is very different today, to what it was in the past. The Australian Aboriginal lifestyle and that of the first colonists provide intriguing stories of the tools that were used and how they have gradually evolved to depend on gadgets and other modern ways of life that our ancestors would find amazing.

CHILDREN AND SAFETY IN AUSTRALIA

This series provides children with strategies for responding to situations in which they feel unsafe, worried or upset. Help children learn to recognise when someone else needs a helping hand and know what to do in an emergency.

THE KANGAROO WHO COULDN'T ...

Mrs Grey is very worried. All young kangaroos have to be presented to Big Red, the leader of all the kangaroos in the world. But what on earth is Big Red going to say about Keith, the hop-less kangaroo?

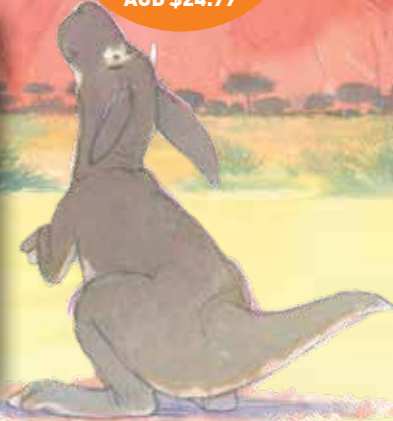

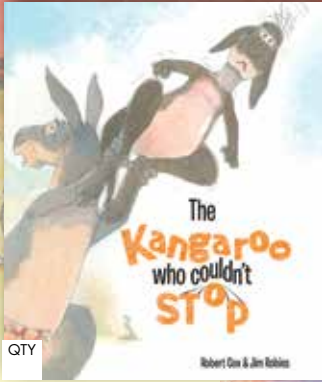

Robert Cox & Jim Robins

THE KOALA WHO COULDN'T SLEEP

Everyone knows that what koalas do best is sleep. That's why young Clive feels different. He doesn't want to sleep, he just wants to play. He thinks maybe he's really a monkey who was mixed up at birth.
